

USING AUDIOBOOKS ON YOUR COMPUTER

Your Library Account

- 1. Visit **www.downloadlibrary.overdrive.com**. Select your library then add your library card number and pin.
- 2. Click on your **Shelf** which is the icon that looks like three books.
- 3. Click Listen now in browser to begin listening.

Searching & Borrowing

- 1. Click on the **Search** button in the toolbar.
- Search for titles by entering title / author in the search box. Book covers appear with a green or white banner across the top. A green banner means the title is available.
- 3. Restrict your search results to titles currently available by clicking on **Available Now** in the

menu on the left. You can also limit by format, subject and date.

- When you have found a title you want, select Borrow. If the title is already checked out, you can request it by selecting Place a Hold.
- If you are asked to sign in, select your library, enter your card number (no spaces) and PIN (last 4 digits of your phone number) then click Sign in. Select your desired loan period then click Borrow.
- 6. To see the titles you have on hold or on loan, click the book icon on the toolbar.
- If you have OverDrive installed on your computer, you can download the title for offline listening using the **Download** button beside the item.
- 8. OverDrive will automatically open, displaying a Get Media window detailing where the book will be stored on your computer. Click **OK**. A screen showing the different parts of the book available for download will appear. Click **OK**. The book is then downloaded to your computer.
- 9. Once downloaded, use OverDrive to play your audiobook on your computer.

Notes

- Audiobooks can be downloaded for 7, 14, or 21 days. Adjust your default under **Settings**.
- Audiobooks can be returned when you are finished by selecting **Delete** in OverDrive.
- Audiobooks can be renewed 3 days prior to being due if no one is on the wait list.
- Don't want to install any software or apps? You can stream audiobooks in your browser instead of downloading them to your computer.
